RM150,000 ON MANGROVE CONSERVATION

SHAH ALAM: A total of RM150,000 has been spent for the conservation and preservation of mangrove forest in the state, the Selangor Assembly was told yesterday. State Tourism and Environment Permanent Committee chairman Hee Loy Sian said the programme involved planting of mangrove trees in the Pulau Tonggok Forest Reserve and treating mangrove trees in the Telok Gedong Forest Reserve. "The allocation is also used for the maintenance of planting plots at Rhu Pantai in the Kapar Tambahan Forest Reserve and the procurement of mangrove saplings for planting by the Selangor Forestry Department," he said. – Bernama
